

## First Grade Supply List

In order for your child to be successful in school, he or she will need certain supplies and materials both in the classroom and at home. The following is a list of school supplies that I would like your child to bring with her or him to school.

Please bring all the items in a large paper grocery bag with your child's written on the outside of the bag. Please do not write your child's name on items unless specified. They will be collected and handed out to the students after our discussion of how to care for our classroom supplies.
