

## Hello Dragon Families,

Welcome Back! I'm Ms. Dalton and I'm excited to be your child's teacher this year. 😊

A big welcome to all of the new families joining Charter this year and a thank you to those returning — I look forward to seeing/meeting you all very soon! A little about me - I am going on my 6th year teaching third grade at Charter and the year before that I taught 5th/6th Math and Science here as well. I am passionate about school spirit and enjoy dressing up – So make sure your student has some TEAL ready for Spirit Friday's! Go Dragons!

Also, make sure that you are able to access ParentSquare (contact Dr. Dewey with any needs), this will be the best way for me to communicate with you throughout the year! I will be sending out a First Week of School Newsletter with all sorts of Important Info and Reminders as we get closer!

*First Day of School is on Wed, August 14th!*

Kindly, Ms. Dalton 🌱

## \*3rd Grade Supply List for Ms. Dalton's Class\*

**\*\*Please label backpacks, lunchbox, water bottles & all clothing clearly with your child's full name \*\***
