

Tuesday Folder

September 26, 2017

Character Counts *Responsibility*

Last Thursday was International Peace Day. As a celebration of peace, Mrs. Howell's class wrote a poem titled "What is Peace?" Our staff shared this with everyone at the morning flag salute, and we've shared it again in today's Tuesday Folder. Please enjoy the work of our Kindergarten Dragons, and the reminders we all need of what peace is, what peace looks like, and what peace feels like.

Middle School Conference Week: This week all students in grades 5-8 will be released at 1pm for conference week. Please see the separate ParentSquare message regarding schedules for conferences. You can help support our staff this week by understanding their work includes both instruction, during the day, and focus on each child/family coming to conferences, with many late evenings. Thank you for showing your appreciation for their work each and every day.

Axxess Books: Axxess Books are on sale through this Friday. Please consider buying one from an 8th grader or stop by the office to pick up your copy for \$40!

Jog-a-Thon: PTSO kicked off our Jog-a-Thon with T-Shirt Sponsorship Forms (Due October 6) and Jog-a-Thon Sponsorship Forms (Due October 20) going out to all students yesterday. You can also find these forms in the Tuesday Folder and in the office. The Jog-a-Thon will be on Friday, October 20, a schedule will be sent out at a later date with run times. There are lots of volunteer opportunities at the Jog-a-Thon...be on the lookout for signups soon.

Dragon Wear: Heading our way are new and updated Dragon Wear! Purchase online by [clicking the link](#) on our website or by visiting: <http://shop.fancloth.com/93460/262042>. Orders are due by this Friday.

Valleywide Conference: Annually all Santa Ynez Valley Teachers get together for one full day (Valleywide Conference) and two Monday afternoons as part of our professional learning. This year's Valleywide is being held on Monday, October 9. There will be no school for students on this day. This year's focus is on Resilience, and the ways we support students developing the capacity to overcome difficulties and bounce back from challenges and adversity. This is a real and relevant topic not just for educators but for all of us as parents as well. We look forward to sharing more about our learning in the coming weeks.

GO DRAGONS!

-Mr. Mark Palmerston, Ed.D.

What is Peace?

By Mrs. Howell's Kindergarten Class

Peace is playing with others, being good and kind.

Peace is the ability to be alone, calm and quiet.

Peace is being able to relax.

Peace is spending time with family and friends.

Peace is taking a nap.

Peace is being nice to everyone and giving hugs.

Peace is saying I'm sorry when you make someone feel bad.

Peace is admitting when you do something wrong.

Peace is being respectful.

Peace is sharing.

Peace is making everyone feel included.

Peace is loving others and loving yourself.
